More than a sport

Message from TC Chair:

There will be some minor amendments to NDP & FIG pathways in all 3 disciplines to incorporate changes to the new cycle Code of Points and reflect the long term aims of these pathways. These changes will be updated in the relevant competition structures and posted on the website by 1st August 2016.

2017 FIG Age Groups: WAGC 17-21 age group will be adopted for TUM from 2017; TRA: 17-18yrs, due to depth of the field, will change to 17-19yrs for year one and DMT will remain at 17-18yrs. This will be reviewed for all 3 disciplines ready for the 2018 season.

The British Club Teams and Synchro Championships has been cancelled to support the English Championships as advised in the February TC update. Consequently, Synchro will be reinstated at the British Championships. Please refer to the event section in this handbook for full details of age groups, eligibility and requirements.

Eligibility

Membership

All persons attending BG events in an official capacity, whether as a gymnast, coach, judge are required to hold current BG membership in line with the level of competition entered and awards held.

Coaches, Judges and Gymnasts should carry current membership cards to all competitions and be prepared for these to be checked by the Organiser or their appointed officials.

- **Gymnasts**
This section is covered later in the Handbook under 'Trampoline and Tumbling Technical Information' on page 17.
- **Supervising Coaches**
Supervising coaches' membership level must be Gold, Joint Gold or Life Members of BG and coaches must be qualified to the level of the skills being performed before being allowed to participate in a BG Event. Coaches must have a current safeguarding certificate. Please see Safeguarding section.
- **Assisting Coaches**
Assisting coaches' Membership level must be Silver (if Level 1), Gold, Joint Gold or Life Members of BG before being allowed to participate in a BG Event. Coaches must have a current safeguarding certificate. Please see Safeguarding section.
- **Judges**
Judges' membership level must be Bronze or Life Members of BG for Club/County/Regional Judges, and Gold, Joint Gold or Life Members of BG for National and Brevet Judges before being allowed to officiate at a BG Event.

Judges must also hold a current cycle of judging award (Cycle 14)

BG does not require judges to complete a criminal record check to judge at BG competitions, as the role that judges fulfill at the event no longer falls within DBS or Access NI Eligibility*. However, some judges are actively involved in club gymnastics and may provide judging instruction to children in a training environment or carry out a supervisory role (or may complete a criminal record check by virtue of another role they undertake e.g. coach). As not all judges use their qualification in the same way, it is the club's responsibility to assess the role the judge is undertaking and determine whether the activities involved fall within the eligibility criteria for a criminal record check. BG no longer requires all judges to complete safeguarding training but clubs should ensure any judge who supervise or instructs children has completed appropriate training.

* Judges who are involved in Scottish competitions should refer to [Scottish Gymnastics](#)  for further guidance as to whether a check is required.

For further information on membership levels please visit the British Gymnastics website. 

Coach Qualifications

When submitting entries for a BG event, clubs must ensure that the nominated Supervising Coach(es) is/are qualified to the level of the participant's performance. The practice of supervising participants working above the level of the coach's qualification is not allowed.

The caveat that permits coaches to practice one level above their coaching qualification in the coaching syllabus refers to a training environment only and is not permitted at BG Events. Its purpose is to enable coaches to practice within the post course guided learning environment following attendance at a course and in preparation for the examination, under the supervision of a BG mentor coach.

Supervising Coaches entered into the event entry **MUST** be the same ones attending the event. It is unacceptable to enter a coach you know will not be attending.

Supervising Coaches entered onto the event entry **MUST** be the same ones attending the event. It is unacceptable to enter a coach you know will not be attending. It is the clubs responsibility to ensure that only accredited coaches are on the Field of Play. Coaches who are used to push mats must be at least a level 2.

Supervising Coaches have a duty of care towards their performers and have a responsibility to ensure that they are both qualified and competent to teach at the appropriate level, as well as ensuring that the participant is adequately prepared, physically and psychologically, for performing their routines in a competition situation.

Additional Assisting Coaches (Level 1 and above) may be accredited, at the discretion of the Organiser, to be present in the competition arena to assist with the pastoral care of the gymnasts. Assisting coaches may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of skills being performed.

If it is found that a club is in breach of these policies BG reserves the right to reject an entry on the grounds of gymnast safety or, if discovered post performance, to disqualify the competitor and remove their score(s) from the official results.

Safeguarding

All Coaches are required to hold a current BG specific DBS certificate, or Home Nation equivalent, and have current Safeguarding and Protecting Children Awareness training at the time of the event. Coaches who do not fulfil this requirement will not be accredited or allowed to participate at BG Events.

All Gymnasts must have an accredited coach present on the competition floor at all times. If a Gymnast attends a competition without a Supervising Coach they will not be allowed to compete.

The safeguarding courses recognised by British Gymnastics are:

Sports Coach UK (scUK) Safeguarding Awareness course.
Local Safeguarding Children;s Board (LSCB)
Football Association (FA) safeguarding training
Professional prior learning ie Social Worker, Teacher etc.

This must be renewed every three years and be valid both at the time of entry and through to the end of the Event.

For members who have previously completed a face to face course an online refresher update course is available.

Coaches must also have a valid Disclosure and Barring Service disclosure both at the time of entry and through to the end of the Event before being allowed to officiate at a BG Event. 

Nationality

Participation in all British Gymnastics Events is subject to the requirements of membership, club/regional registration and other conditions of entry.

In addition, the following regulations concerning Nationality are applicable to British Gymnastics Events.

British Championships

Only those in possession of a valid United Kingdom passport are eligible to be ranked in the official Competition results, where a British Championships title is being contested. This is effective for individual competitions. In team competitions or where gymnasts compete together as part of a group/partnership, all of the gymnasts must be in possession of a valid United Kingdom passport in order for that team/group/partnership to be ranked in the official Competition results.

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Head of Performance Sport (or their appointee), those who are not in possession of a valid United Kingdom passport may take part in Competitions where a British Championships title is being contested. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG statute. They will receive score(s) but will not receive a ranking in the official Competition results. In such circumstances gymnasts will be referred to as Guests.

Gymnasts holding dual citizenship (including a valid United Kingdom passport) are only eligible to receive a ranking in the official results (either as an individual or as part of a team/group/partnership) if they do not hold an FIG License registered by another FIG Member Federation or have not represented another FIG Member Federation.

Gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Head of Performance Sport to take part in the British Championships. They will receive score(s) but will not receive a ranking in the official Competition results.

Other British Gymnastics Events

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Head of Performance Sport (or their appointee), non-British citizens may take part in other British Gymnastics' Competitions. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG Statutes

Those gymnasts who are not in possession of a valid United Kingdom passport must have been a member of British Gymnastics for at least one year prior to the date of the Competition in order to be eligible to take part. During this period the gymnast's sole or main residence must be within the United Kingdom.

They will receive score(s) and will receive a ranking in the official Competition results. This is effective for both individual competitions and competitions where gymnasts compete together as part of a team/group or partnership.

Where a Competition provides a qualification route to take part in a British Championships, the results of a non-British citizen will not lead to the displacement of a British citizen who would have otherwise qualified for the British Championships.

In exceptional circumstances, gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Head of Performance Sport to take part in British Gymnastics Events. The Technical Committee with approval from the Head of Performance Sport will have the discretion to determine whether their scores will contribute towards the official Competition results.

Disclosure

It is the responsibility of the person making the Competition entry to ensure that all of the gymnasts have their nationality declared within Gymnet online membership portal.

Competition Entries

Entry Process

Entry to all National BG Events are Online only. Complete instructions for adding an entry via the GymNet online Entry Portal are available to download from the BG website. 

All entries must be fully submitted electronically to BG by the stipulated closing date and time.

Disability Gymnastics

Disability Gymnastics is designed to provide competition and development for people whose disability or impairment restricts their mainstream competitive opportunities.

Gymnasts with disabilities competing in mainstream competition, at or above regional levels (Not including GfA competition or British Vets), will be ineligible to enter Disability Gymnastics competitions.

As part of the development of Disability Gymnastics, British Gymnastics has produced its own sport specific Disability Gymnastics Classification Certificate. The classification certificate is contained in a pack which also clearly defines the eligible impairments for Disability Gymnastics Competition.

All clubs and coaches must inform the British Gymnastics Events Team of any of any gymnasts which have medical conditions that require special consideration at BG events. This information should be shared with the BG Events Team at the point of competition entry and will enable to the BG events team to make the necessary adjustments where possible to cater for the additional needs of each gymnast.

Gymnasts will be required to provide proof of Disability at least six weeks before the event. Please complete and return the Disability Gymnastics Classification Certificate by following the instructions in the Disability Classification Pack. 

Although there are 44 different eligible classifications (Profile groups) in the Classification Pack, this does not mean that there are 44 different competition categories for Disability Gymnastics competition.

The Disability competition classification categories available can be found within the information pages for each competition which has integrated disability.

Methods of Payment

Payment can be made by Debit Card, Credit Card or BACS payment. BACS payment however may slow the entry process. Payments should be received by BG within 48 hours of the entry being submitted.

Entry fees are non-refundable after the closing date.

Late Entries

Late entries will only be considered in exceptional circumstances and only up to 7 days after the closing date.

In the unlikely event of a late entry being accepted, payment of three times the normal entry fee stated for the competition will be required for individuals (including partnerships and groups). For team late entries the fee will be double (including clubs and regions). However, the late entry payments will be capped at £1000 (i.e the

additional payment over and above the normal entry fee per gymnast / partnership / group / team will be capped at £1000).

Late entries must be made in writing to the BG Events department and will then be referred to the Organiser for consideration. The Organiser and BG Events department will have absolute discretion whether to accept a late entry.

Late entry requests may be placed on a reserve list and clubs notified if their entry is accepted following a withdrawal, up to 1 week prior to the event.

Withdrawals and Substitutions

Amendments to an entry before the closing date will not incur a penalty and in the case of withdrawals, the entry fee will be refunded. Entry fees are non-refundable after the closing date.

For NDP Grades Finals, if a Region wishes to make a substitution (due to the withdrawal of a previous regional entry) of a Pair/Group, they can only do so up to two weeks before the event, in writing to the BG event department after the entry is closed. Proof of qualification of the substitute must also be provided if applicable, at the time of the request. Substitutions will not incur a fee however there is no guarantee that the substituted names will be included in the spectator programme.

Where it is necessary to substitute a coach the club must inform the BG Events Department, so the coach can be checked for membership, awards and safeguarding, before they can be accredited for the Event.

Where, through unforeseen circumstances, this is not possible or, where information has not previously been supplied, the substitute must inform the Organiser immediately on arrival at the venue and produce their coaching award certificate, current BG membership card and a current BG specific Criminal Records Check certificate.

Non-Participation Fee

Due to an increasing number of clubs/coaches/gymnasts failing to inform the organiser of their withdrawal from the event and the impact on the event and competition format, it was agreed at the Joint Technical Committee meeting on 13th April 2016 that a fee for non-participation will be introduced.

By entering a gymnast (individual/partnership/group) or a team (team events) into an event, the enterer accepts that, should any gymnast or team fail to register to compete by the end of registration for a competition, the appropriate fee for non-participation will be added to the club basket or in the case of regional entries, basket of the person making that entry.

Fees will be charged as follows:

£25 – Individual / Pair

£50 – Trio / Group / Team

Should a gymnast be withdrawn, for whatever reason, the club or coach must inform the Competition Organiser and Events Department in writing via email up to the close of registration for the relevant session. Email addresses are listed in the Contact Information on page 6 of this Competition Handbook. Withdrawals will only be accepted via email.

Failure to inform the Events Team and Competition Organiser as laid out above will result in the non-participation fee being charged.

General Regulations

Coaches' must make adequate provision for the "supervision" of their gymnasts upon arrival at the venue. Gymnasts will not be allowed to register or begin warm up without their coach present.

Registration

Only register your Gymnast(s)/Club/Region when those competing in that section of the event have arrived at the event and intend to compete. Please inform the registration desk of any withdrawals as soon as possible.

During registration accreditation/passes will be issued. Abuse of accreditation/passes may result in disciplinary action taken by BG.

Order of Performance

The order of competing for individual events and team events shall be decided according to the competition arrangements made by the Organiser or such officials as may be authorised by the Technical Committee. For the purpose of maintaining the smooth and timely running of the event, or where the safety, security and good performance of the gymnasts is a concern, the TC reserve the right to alter the grouping of gymnasts and/or running order of performances as may be deemed necessary by the Organiser or authorised officials, up to the start of warm up.

For competitions where there is an official podium training no changes will be made to the running order without the agreement of the coach and gymnast affected.

Wherever practical the Organiser shall produce and circulate to all participating clubs a provisional start list and running order for an event at least 2 weeks before the day thereof.

Music (where applicable)

All music for competition routines must be uploaded onto the GymNet portal at the latest one week before the competition date (see event page for specific time and date).

Instructions for submitting music electronically may be found within the online entry guide 

Late Music Submission (where applicable)

Late submission of music will attract a fee of £20.00 per gymnast/partnership/group/team. This fee will be added to your club basket. Music not uploaded by the deadline cannot be guaranteed to be uploaded on the day.

Music Licensing (where applicable)

All music used in competition routines must conform to the relevant licensing requirements. Details may be found at the following link. 

Certain tracks belonging to Disney, Andrew Lloyd Webber and Cirque du Soleil can be used but this should be checked on the PPL website to confirm the track is included within their repertoire.

To check tracks go to  scroll to the bottom of the page and click on 'PPL Repertoire Search' enter the artists name and title. Any music listed as part of the search can be used.

If the track is not included within the listed tracks the club must apply directly to Disney, Andrew Lloyd Webber or Cirque du Soleil to use the track and pay the relevant licensing fees.

Access to Warm up Hall

Access to the warm up hall will be limited to the appropriate number of coaches as defined in the specific details section for each Event. On arrival, coaches will need to register and collect their accreditation from registration. In the case of events spanning more than one day, accreditation will be issued for each day. At larger national events the FIG/UEG recognised accreditation system will apply.

Abuse of accreditation may result in disciplinary action being taken by BG.

Judges will not be allowed into the warm up hall, once the judges meeting has taken place.

Food and Drink

There may be restrictions within the competition areas with regards to food and drink. This is to manage food intolerances and allergies.

Babies and Young Children

In the interests of safety, for the smooth running and professional presentation of the events, babies and young children are not permitted to enter the warm up hall or field of play, even if they are being supervised by an adult.

Medical Provision

Anyone requiring First Aid assistance should speak to either the Competition Organiser or BG medical team. It is recommended that all coaches have a First Aid kit with them for minor injuries.

At all BG Events an official medical team will be appointed and will be available to treat gymnasts who sustain an injury at the event. The medical team are not able to treat pre-existing or chronic injuries.

Any injury occurring during the official training or competition must be reported to the medical team, to ensure a record can be kept of treatment given and by whom.

The decision of the Organiser, based upon the recommendation of the BG appointed medical officer as to the gymnast's health and medical status and their ability to compete at the Event is absolute and final.

Medal Ceremonies

Except in exceptional circumstances, gymnasts who win a medal at a BG Event are expected to remain in the venue until the completion of the competition and participate in the medal presentation ceremony in order to collect their award in person. Medals will only be distributed at events not by post. Attire for medal ceremonies is according to FIG World Championships and UEG rules.

Tenure of Trophies

All perpetual trophies remain the property of BG.

Perpetual trophies are the responsibility of the winning club or region. The club or region are responsible for the inscription of, as well as safekeeping and maintenance of, the trophy and for returning it to the Organiser prior to the competition the following year by either; -

- Making arrangements for it to be delivered to the competition venue on the day.
- Returning it to the competition organiser at least one week prior to the competition.
- Returning it to the BG offices at least one week prior to the competition.

Failure to do this or loss of a trophy will incur a cost to the individual / club.

Video, Film and Photography

BG accredited photographers may be present at BG events and in some cases, events will be videoed and/or live streamed by BG TV. These images may be used by BG and our subsidiary companies for the purposes of promotion, education and development of the sport. They may also be shared with relevant third parties organisations for journalistic/promotional purposes.

Clubs must ensure that gymnasts/parents are informed of the photography arrangements for the relevant event. BG will also announce the photography/filming arrangements at the event. Any gymnast or parent who does not wish themselves or their child to be photographed/filmed at the event must advise the British Gymnastics Events Department or the Event Organiser. Although it is not always practical to manage the content of live streamed footage, British Gymnastics will ensure any identifiable images of the participant are not published.

Any person wishing to use video, film or take photographs must abide by the BG Photography at Gymnastics Events policy.  Photos may only be taken for personal use. Unless specifically accredited to do so, you may not take photos for sale, other commercial use, or publication in printed or electronic form, such as on websites. Clubs may publish some photos but this may only be done in accordance with BG Safeguarding & Protecting Children Policy.

Flash may not be used at any time while gymnasts are warming up or competing.

If you have concerns about the identity or actions of any photographer or if you believe that any unsuitable photos are being taken, you should report your concerns to the BG appointed Welfare Officer at the event.

Health & Safety

The health, safety and welfare of all participants (gymnasts, coaches and officials) is the primary consideration. All BG policies and procedures will be rigorously applied with regards to health, safety, welfare and Safeguarding & Protecting Children.

Overnight Stays

Government legislation requires that when a club takes a gymnast(s) under the age of 18 years on a journey involving an overnight stay, the club must ensure that there is a designated trained person responsible for child protection on the trip. To adhere to the CPSU child protection standards this person must not be related to or in a relationship with the coach attending the trip.

The training for the designated person should be BG recognised Safeguarding and Protecting Children Awareness training or Home Country equivalent.

For **Overnight Trips** the appropriate form needs to be completed in full and sent to British Gymnastics **at least** four weeks prior to travel so we can get your trip approved and endorsed by our insurers. Failure to inform British Gymnastics of **any** overnight stays may invalidate your insurance.

Please note that the BG Membership Insurance does not cover Travel or Emergency Medical Expenses, we therefore recommend that where necessary you take out additional Travel Insurance.

Drug Free Sport

A trampoline Difficulty card template is available from the downloads section on the BG website 

Competition cards must be submitted to the Registration Desk on arrival at the competition and prior to the start of warm up.

Competition cards should be completed in FIG notation only. For NDP levels 1–7 TRA and DMT, competition cards may be written in clear English or FIG notation.

For NDP Level the card should be marked with asterisks to indicate required elements in WAGC/FIG A routines, this must be done prior to the card being submitted. Likewise, all elements that require a difficulty mark should be identified before the card can be accepted.

All cards must be signed by the appropriately qualified Supervising Coach in order to be valid.

Competitors may not compete without a valid tariff sheet.

- **Tumbling**

Competition cards are required only at FIG Level.

Competition cards must be submitted at Registration Desk on arrival at the competition and prior to the start of warm up.

Competition cards should be completed in FIG notation only.

Competitors may not compete without a valid tariff sheet.

Inquiries

An inquiry is only applicable when BG score is being used to facilitate video feedback

A coach may only inquire about the Difficulty Score, in accordance with the principles of the FIG Code of Points.

In addition in Trampoline, a coach may also Inquire if they believe the Time of Flight score to be inaccurate.

Inquiries can be made only for the Club/Region's own Gymnasts.

No inquiries can be made about Execution scores, or other penalties.

Inquiry forms will be published in each event workplan.

A verbal inquiry should be made after the publication of the score and at the very latest before the end of the routine of the following gymnast; and for the last gymnast of a group, this limit is one minute after the score is shown".

The Supervising Coach for the Club/Region of the competing gymnasts makes the Inquiry with the Chair of the Judges Panel.

- First inquiry: £25
- Second inquiry: £50
- Third and subsequent inquiries: £75

The placement of an inquiry form becomes a contract to pay the appropriate fee.

This fee will not be collected in cash at the event, but added to the basket of the club/coach concerned, if the inquiry was not upheld.

If a resolution cannot be made before the start time of the next competitors' routine, the calculated mark will be listed as 'provisional' and will be considered at the end of the competition session and before any award ceremony.

The TC cannot accept any photographic analysis at an event unless an official video replay system is available and could be referred to by the Chair of the Judges Panel for the benefit of every competitor.

Provision of Officials

The events team in accordance with the Expenditure Guidelines for Technical Committees, Judges & Officials will book the accommodation for judges and officials appointed by the National Judging Co-ordinators and National Competition Organisers centrally .

Clubs will no-longer need to nominate judges and officials as part of their online entry for the Spring Event Series, NDP Finals or British Championships. However, for the Regional Team Final/NDP Semi Final, regions **will** need to nominate 3 Judges for TRA, 2 Judges for TUM and 2 Judges for DMT. The National Judging Officers will then select the panels and advise the regions of their selections. A contribution of £335 from each region towards the costs for Judges for this event will be added to the On-line entry. Accommodation will be booked by BG Events Team and meals provided for all appointed Judges. Judges should ideally hold, as a minimum, the County Judge qualification and level 1 DMT judges will be considered.

In order to ensure that the correct number of judges with the right qualifications are available for each discipline, the Regional Judge Coordinator or Competition Organiser must send the names, qualification and email addresses of their nominated judges to the National Judge Officer no later than 10th April 2017.

Mikeptramp@aol.com (DMT & TRA)

tumblinguk@gmail.com (TUM)

The regions entry will only be confirmed once the NJO has received this information. It is the regions responsibility to ensure that this commitment is met and that all nominated judges are available for the event.
